WELCOME !

WHO ARE WE?

We are **Pistol People**. We are an organization dedicated to teaching families and professionals the safe and practical uses of firearms. We maintain a relaxed yet safe environment.

We strongly encourage your continued education to expand your knowledge and your continued practice to improve your skills.

We have fun, too! Many members hone their talents to shoot competitively in matches locally and across the nation.

OUR FACILITY

We have a fifty (50) foot indoor shooting range. Each of our nine (9) individual shooting booths has controls to position a paper target at a distance from five (5) to fifty (50) feet. Our bullet trap is designed to handle the ammunition from most handguns and small bore rifles.

EDUCATION WE OFFER

We offer a variety of formal courses taught by NRA certified instructors with over 30 years of experience. We have courses to satisfy your wants and needs no matter your skill level. We successfully train students anywhere from the beginner who has never touched a firearm to the professional carrying a firearm on the job.

Our students are our pride and joy. We cannot say enough about them. We are confident that they are the best trained in the region. We are committed to keeping it that way.

OUR LOCATION

We are located in Bensalem, PA. From the Street Road Exit of I-95 (Exit 37), take Street Road (PA-132) eastbound (0.5) miles until it ends at State Road. Turn Right and follow State Road southbound (1.1) miles. We are on the left.
